INDIVIDUAL DESIGN / ZE-17

Three Bedroom Courtyard Home

1-storey 3-bedroom home / 720 sq ft enclosed

A 24 x 40 ft 3-bedroom home with U shaped charcoal steel and sandy cedar home, two ten foot side wings and rear connecting wing, central open front courtyard twenty by twelve feet, flat roof. A 20 x 12 ft open courtyard connects the three bedrooms and living wing via outdoor access.

ORIGINAL EXTERIOR CONCEPT / CLIENT REFERENCE INSPIRED

24' x 40'

720 SQ FT ENCLOSED / 1 STOREY

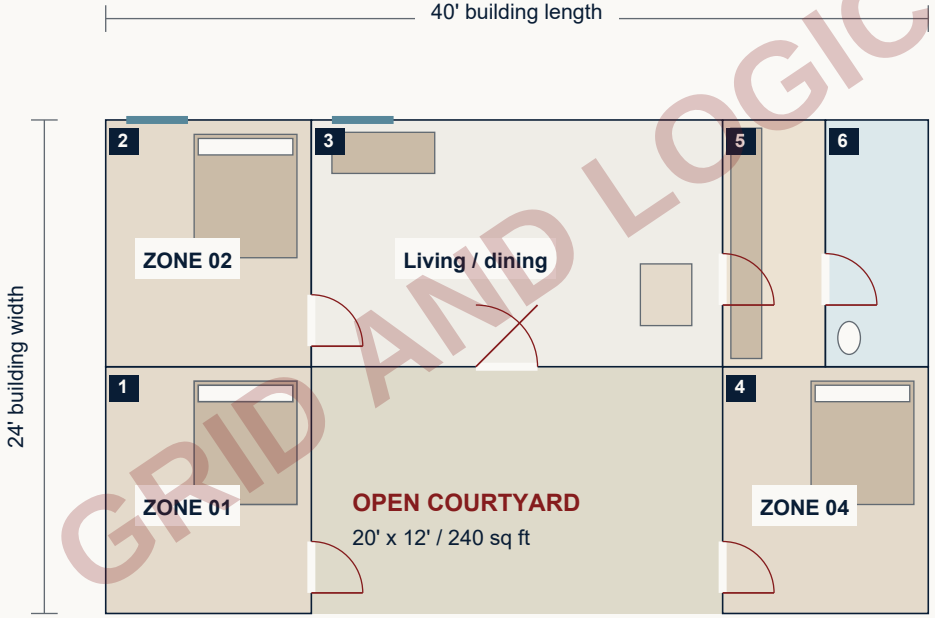

FLOOR PLANS + FOUR EXTERIOR VIEWS

ISLAMABAD / DESIGN COLLECTION 2026

01 / MEASURED SPACE

Ground floor. A distinct layout.

Nominal dimensions in feet. Floor-zone areas exclude wall deductions; furniture and openings are schematic.

GRID AND LOGIC

ZONE SCHEDULE / DIMENSIONS IN FEET

01 Bedroom 1
10' x 12' / 120 sq ft

02 Bedroom 2
10' x 12' / 120 sq ft

03 Living / dining
20' x 12' / 240 sq ft

04 Bedroom 3
10' x 12' / 120 sq ft

05 Kitchen
5' x 12' / 60 sq ft

06 Bathroom
5' x 12' / 60 sq ft

Courtyard access serves the front bedrooms; rear bedroom connects to living. Courtyard is open air and excluded from enclosed area.

02 / EXTERIOR DESIGN

The same design. Every side.

Four original visualizations illustrate this individual concept. Openings and construction details remain schematic.

FRONT / ENTRY FACADE

40' nominal span / 1 enclosed storey

REAR / SERVICE FACADE

40' nominal span / 1 enclosed storey

FINISH DIRECTION: U shaped charcoal steel and sandy cedar home, two ten foot side wings and rear connecting wing, central open front courtyard twenty by twelve feet, flat roof.

Images depict a concept finish. Exact window locations, heights, stairs and roof assemblies are coordinated with the measured layout before fabrication.

02 / EXTERIOR DESIGN

The same design. Every side.

Four original visualizations illustrate this individual concept. Openings and construction details remain schematic.

GRANDLOGIC

24' nominal span / 1 enclosed storey

RIGHT / END VIEW

24' nominal span / 1 enclosed storey

FINISH DIRECTION: U shaped charcoal steel and sandy cedar home, two ten foot side wings and rear connecting wing, central open front courtyard twenty by twelve feet, flat roof.

Images depict a concept finish. Exact window locations, heights, stairs and roof assemblies are coordinated with the measured layout before fabrication.

03 / MATERIALS & PROGRAMME

Details for this design.

A defined visual direction and spatial brief for the project quotation.

GRID AND LOGIC

Building	24 x 40 ft footprint; 1 enclosed storey(s); 3 bedroom(s).
Enclosed floor area	720 sq ft per floor / 720 sq ft total, before wall deductions.
Exterior palette	U shaped charcoal steel and sandy cedar home, two ten foot side wings and rear connecting wing, central open front courtyard twenty by twelve feet, flat roof.
Roof & outdoor space	20 x 12 ft open courtyard / 240 sq ft excluded from floor area.
Structure	Fabricated or joined steel modules; foundation, openings, connections and lifting points engineered for site conditions.
Comfort & finish	Insulated walls and roof; selected internal linings and floor finish; washable wet-area surfaces.
Glazing & doors	Opening schedule coordinated with rooms, privacy, escape and ventilation; safety glass and hardware specified individually.
Electrical & services	Power, lighting, sockets and data developed to suit use. Plumbing, water supply and drainage coordinated with available site services.
Circulation & access	Door swings and furniture are indicative; confirm finished clearances and accessible circulation.
Delivery & installation	Transport route, crane access, supports, anchoring and connections agreed before manufacture.

Concept proposal only. Final engineering, quantities, approvals and price are established for the selected design and site.

05 / MAKE IT YOURS

A clear plan for your next step.

Bring us your site and requirements. We will help develop the layout, scope, and quotation for your project.

GRID AND LOGIC

BEFORE WE DESIGN

01 Intended use and number of occupants

02 City, site access and available footprint

03 Preferred room layout and finish palette

04 Available power, water and drainage

05 Budget range and desired delivery timeline

LET'S BUILD YOUR SPACE.

REFERENCE & DESIGN NOTES

Architecture direction informed by client-assets references, then developed as an original concept. All measurements are nominal feet; wall thicknesses are not deducted. Wider modules require fabricated or joined frames. Original drawings in this catalogue are newly authored schematic interpretations, not reproductions of approved engineering drawings.
